> Re: Shooting of Lee Harvey Oswald T. D. McMillon

Sire

T. D. McMillon was interviewed by Lieutenants C. C. Wallace and P. G. McCaghren at 9:45 am on November 30, 1963. He had this to add to his original report:

I would like to make one correction that I now know to be true; that Detective Lesvelle was on the pricioner's right rather than on the pricioner's left se I ested on my original report. Also I would like to correct that the person, Jack Ruby, case from my left instead of my right as I ested in my griginal report.

I have been saked if I know Jack Ruby, and I do know him by sight. I did not see him in the basement before the shooting, and can never fecall seeing him around the City Hall.

We talked to him when we got to the 55 floor. On the 55 floor Enby was saked how he got to the basement. He replied that he came from the Vesterm Union office where he wired a girl in Fort Worth some money. He ead he saw Hio Pierce drive out of the basement He walked past the policeman standing there. He said a policeman hollowed at Min, but he ducked him head and kept going. He said that he knew he could always act like a reporter.

He also said, "Ya'll won't believe this, but I didn't have this planned. I couldn't have tined it so perfect." He said just as he got there, Oswald was coning out.

He stated he always carried a gun in the car because he always had some money.

I overheard Ruby eay that after coming out of the Western Union office, he saw the grmored car there and came to see what was going on.

Ruby said he figured he could get off at least three chots before he would be caught. Buy realest what he may be use abouting the right would be caught. Buy realest what he may be used to tity fall. Be related how Emmy Yude had and numbrous references to the organization that Owvald belonged to, and that Ruby hisself had corrected Emmy Wate because he didn't wunt his to be calarrassed in public.

I have been interviewed by the Federal Bureau of Investigation.

Respectfully submitted,
C. C. Wallace, Lieutenant Juvenile Bureau

P. G. EnCaghren, Lieutenant Burglary & Theft Bureau
